

Summary:

A NewsX expose on the Volleyball Federation of India and its corrupt practices jeopardising the future of the sport

A NewsX expose on India's third most popular sport - Volleyball - on how the irresponsible and indifferent attitude of the Volleyball Federation of India led to seriously jeopardising the future of the sports and the sportspersons.

The NewsX expose brought to the fore rampant corruption, monopoly and irregularities of the Volleyball federation of India in connivance with Baseline Ventures, a sports management company. In a NewsX impact, the Pro Volleyball League stood cancelled and no dates have been announced till the next AGM.
